Introduction

The Digital Skills for Life (DSL) Guide is a series of booklets which comprise of:

- step-by-step instructions and
- quick tips

to help you get online confidently and safely.

It is meant for everyone with or without any digital experience but is interested in finding out more about essential digital skills for daily living.

The essential skills are grouped into 5 competency areas as shown in the diagram.

Learning outcome of Set up & Use Smart Devices competency:

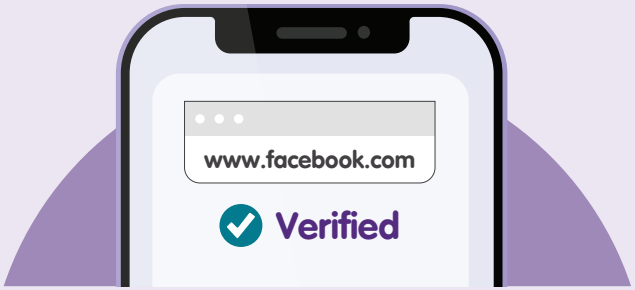
Able to connect to the Internet, install and use mobile device apps.

DSL

The following guide is based on common software icons and mobile device settings. Please note that certain features may differ across different mobile devices and models.

Cyber Security Tips

To stay safe while browsing apps, please keep to the following:



Always verify the authenticity of the app using official websites and sources, even if they are available on official Apple App Store.

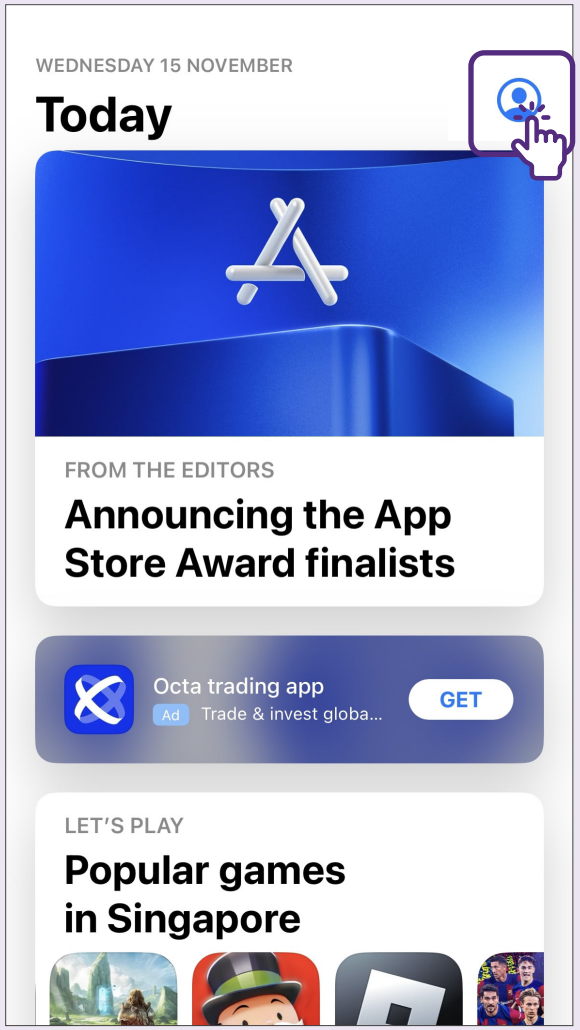
Grant an app permission only if necessary.

Uninstall a breached app (apps that are no longer secure due to malicious activities) as soon as possible to reduce the risk of exposing any information.

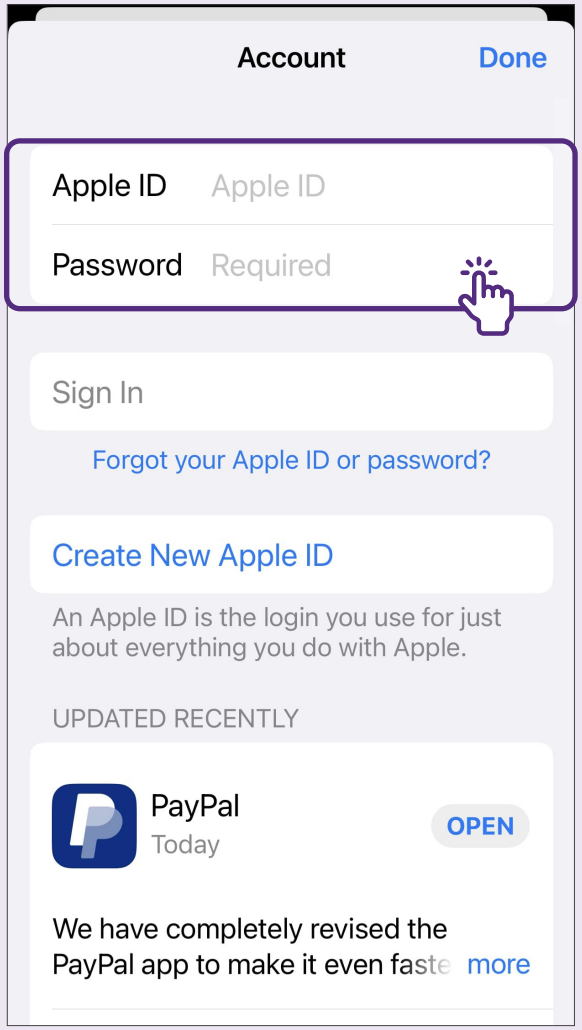
Update the mobile device software and applications to the latest versions as soon as they are available.

Log in to Apple App Store

1 Tap on Profile



2 Sign In to Your Account

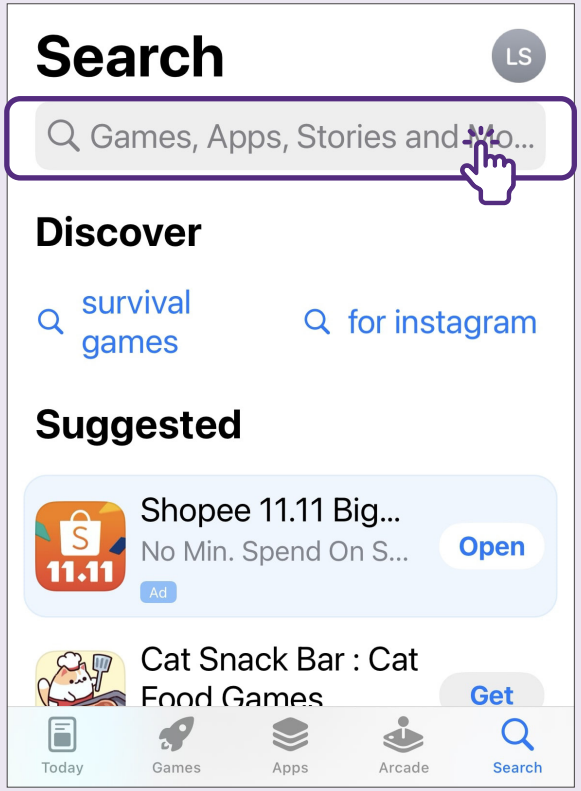


Download and Locate an App

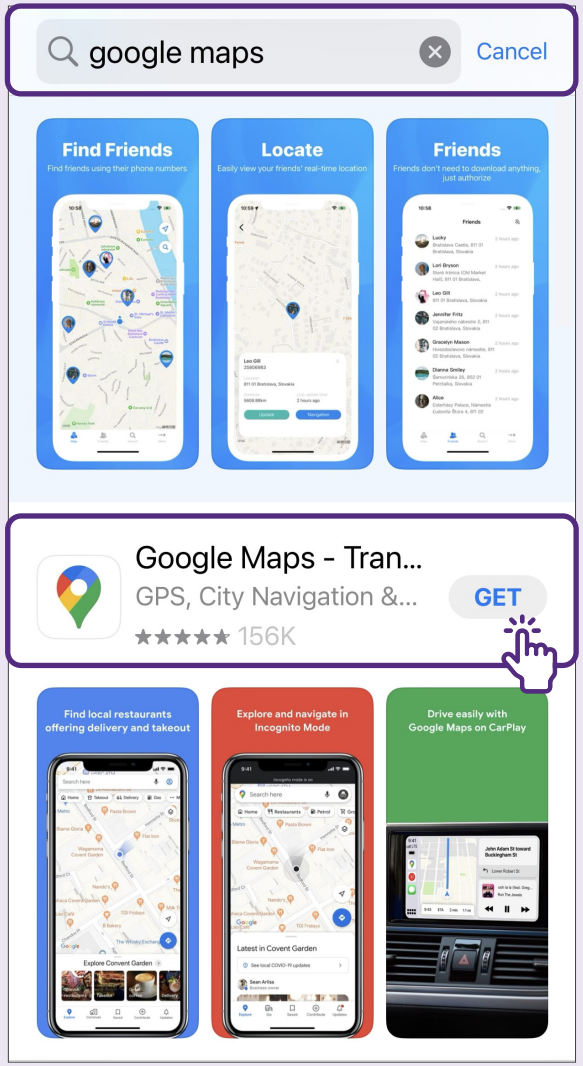
1 Select Apple App Store

Find and tap "**Apple App Store**" on your mobile device.

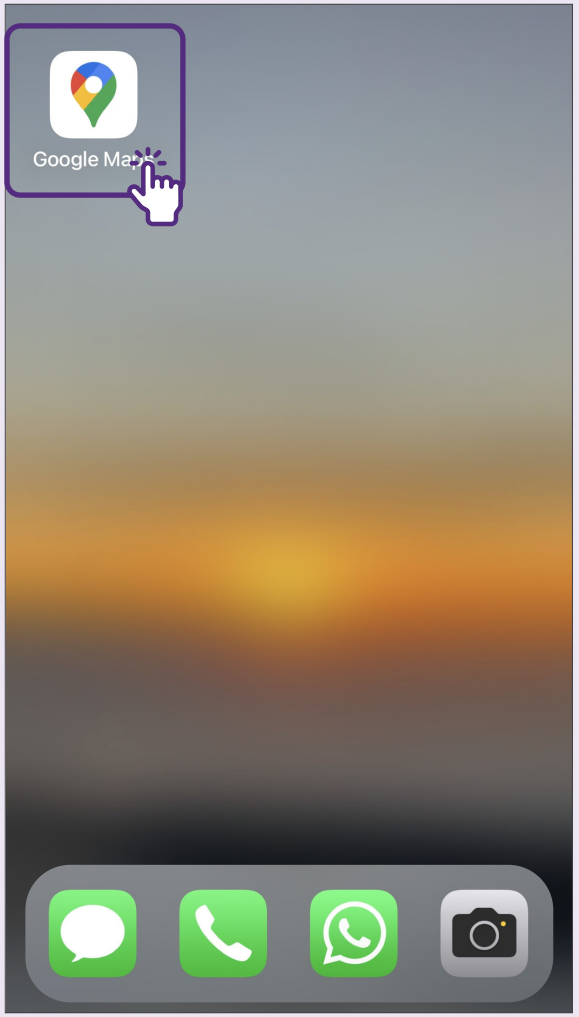
2 Search for an App



3 Install an App

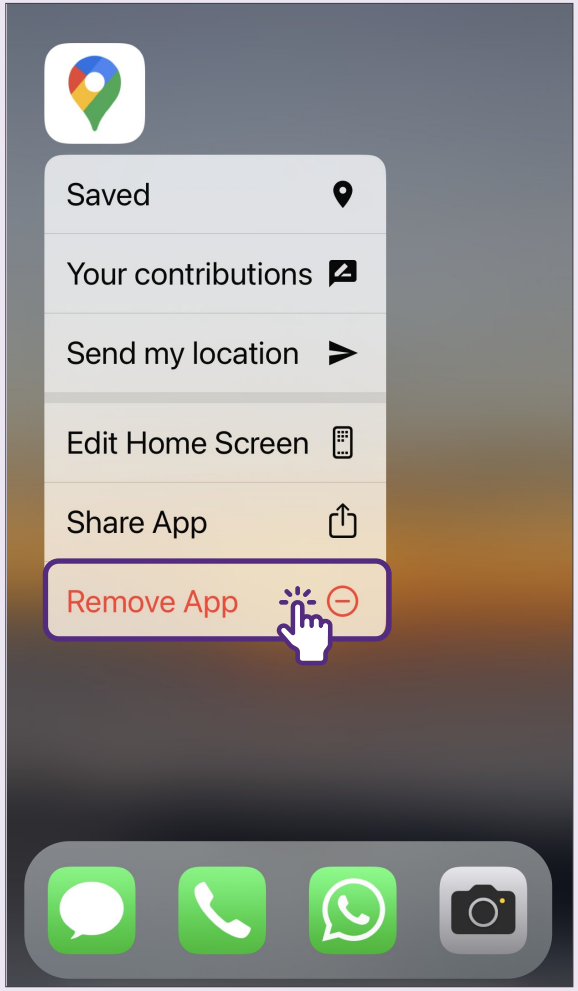


4 Locate App on Home Screen



Uninstall an App

1 Tap and Hold the Icon to Uninstall



2 Select Delete App to Uninstall
